

omsizecorrectiontablemodel.h

```
graph BT; A[omsizecorrectiontablemodel.cpp] --> B[omsizecorrectiontablemodel.h]; C[selectsamples.cpp] --> B;
```

The diagram illustrates a header file dependency. At the top is a gray rectangular box containing the text 'omsizecorrectiontablemodel.h'. Below this box are two white rectangular boxes with black borders. The left box contains 'omsizecorrectiontablemodel.cpp' and the right box contains 'selectsamples.cpp'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top gray box, indicating that both source files include the header file.

omsizecorrectiontablemodel.cpp

selectsamples.cpp
